

## **Tournament rules**

1. Fishing is allowed only with a fishing rod. Match with anchor stick, Bologna-type anchor stick, flexible anchor stick and plug.
2. Fishing with feeder, carp and spinning sticks is prohibited.
3. The use of all types of electronic fishing equipment is prohibited.
4. The competition will be held only in individual counting. There will be one zone in the coastline, which will be divided into 10-meter sectors, which will be numbered according to the number of participants. The entry of strangers into the sectors other than referees is strictly prohibited.
5. Fishing is allowed with only one rod. The fisherman has the right to have one or more spare rods in assembled condition to be placed within the sector.
6. Bringing additional equipment and food to the sector during the tournament is strictly prohibited.
7. Fishing is allowed with only one salmon needle.
8. It is strictly forbidden to fish on the surface of the water. The catch of the fish should be marked with a tweezers and not a stick. Therefore float should be in a vertical position and should have a positive volatility, otherwise sanctions will be accepted by the referees.
9. Float can be used both slippery (in Scalzia) as well as fixed.
10. Any additional food is allowed to be eaten. Maximum quantity 15 liters. Feeding should be done by hand and jealously. Feeding by any other means is prohibited.
11. Any animal or grain bait that can be placed on a needle is allowed. Bait, fish lizard, fish parts or spawn are prohibited. Hair transplantation is prohibited.
12. Only fish nets made of soft material are allowed to place the caught fish, metal nets are strictly forbidden.
13. Fish caught after weighing must be returned to their native reservoir.
14. It is strictly forbidden to participate in the tournament in a state of insomnia or to consume alcoholic beverages during the course of the tournament.
15. Access to water and fishing is strictly prohibited. Entering the water can be done in case of obtaining permission from the referee (in case of impasse) in case of gross violation of the above rules, the jury has the right to disqualify the participant in the tournament and invalidate the result of his participation.
